SAXDOR 320 GTO Saxdor 320 GTO is a combination of Italian design, American functionality, German quality, and French pricing. GTO comes with a T-top and walk-around deck. She has an exquisite design, fast and powerful outboard performance, and a refined and economical hull form. 320 GTO is both modern and sporty, but has a high level of comfort. Its performance hull is seaworthy, safe and easy to drive. The most notable feature is the versatility of the cockpit. Below decks it's clear that the 320 GTO should be comfortable in a role as weekender, not just a fast, handsome dayboat. Viewings highly recommended.
