

LAGOON 440

LENGTH 13.6 m | BEAM 7.8 m | 6 CABINS | YEAR 2009

LAGOON

"the spacious layout of the Lagoon 440 catamaran provides for a good family voyage option while its unique flybridge equipped with winches gives a rather interesting skipper experience. Its four cabins and four heads along with the seating arrangements in the forward and aft cockpits also offer the exciting opportunity of entertaining guests and hosting a party – the galley, of course, is equipped well enough to provide for the food.
